*How to Save the World*

Week 1: The Secret Power of Grace

### Icebreaker Question

If you were a superhero, what would your name be?

### The Verse

#### **Ephesians 2:8-9 NLT**

*God saved you by his grace when you believed. And you can't take credit for this; it is a gift from God. Salvation is not a reward for the good things we have done, so none of us can boast about it.*

### Big Question

How would you describe grace?

### Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. Think of a time when you messed up (big or small) but someone showed you grace. How did that grace make you feel? Share about this situation if you want.
3. What's your answer to today's Big Question? (*Printed above*)
4. Read **Ephesians 2:8-9 NLT**. Why doesn't God want us to take credit for earning or even choosing grace? What would be different if grace were only given to people who could earn it somehow?
5. We heard about "cheap grace" in today's video. It's when you sin and just say, "Meh, I can always just ask for forgiveness later." What's wrong with cheap grace?
6. Sometimes, people feel guilty even after they ask God and others for forgiveness. Do those guilty feelings come from God? How does God treat us when we ask for His forgiveness?
7. Pray together. Pray that your students would choose to accept God's grace that covers all their sins. Pray they would walk in the truth that God's grace is always there for them whenever they choose to accept it.
