## CATALOG

### HAPPY NEW YEAR, YTH NATION!

We're stoked to dive into [Immeasurably More](#), a seven-week, video-based study led by Pastor Holly Furtick. We believe God has so much in store for us in 2023 and this doesn't just apply to the adults in our church — He has so much in store for YOU too!

Together, we'll be reading through the book of Ephesians, chapter by chapter, with the goal of discovering the many promises God has for us today.

But there's a process to walking in God's promises and we can't do the work for you — you've got to lean into the teachings, get in your Bible, and show up to eGroup ready to participate... and then watch what God does!

We don't serve a God who simply meets our expectations — we serve a God who loves to do more than we could ask or imagine. So let's get our hopes up, Elevation YTH!

This catalog is meant to be a condensed version of the full study. Your eGroup can decide together if you want to live in this catalog or go through the entire Immeasurably More book (we highly suggest option B). Whatever you decide, we just want you to be all in!

### SO, HERE'S WHAT YOU NEED:

Bible (or your Bible app)

Immeasurably More book or PDF (this is optional, but recommended)

Pen (you're going to want to take notes)

Your eGroup (duh)

That's it. Are you ready? We are. Let's GO!

Prayer up. Rhythm high. Big love.
